Ring/24" Studs

Features

- Ready to install, no preparation required
- For use on wood or metal studs
- Designed and assembled in USA
- Includes Hinged Adjustable Mud Rings for increased productivity

General

Application Save labor costs on any job with RACO Pre-Fab assemblies. All components come pre-assembled, ready to install right out of the box. Electrical boxes, mounting brackets, cable management and mud rings. Ensure quality while reducing material and labor costs. Even reduce jobsite packaging waste.

These Assemblies feature 4-11/16" boxes with integrated STAB-iT® II connectors for advanced fast, secure installation of MC cables. Contractor-proven to install MC in just 1/3 the time! These boxes also include built-in cable management clip and 8" solid #12 pigtail. Models with a second box for power and data applications include a standard 4-11/16" box with additional knockouts.
