

POLYCAST[®]

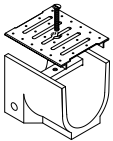

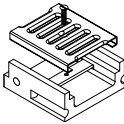

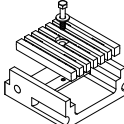

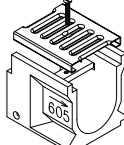

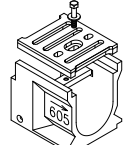

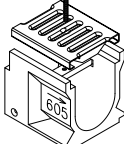

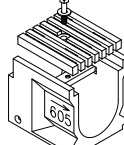

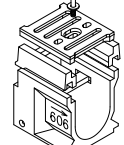

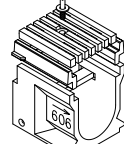

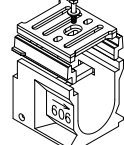

PRESLOPED SURFACE DRAINAGE SYSTEMS

QUICK QUOTE

05/17

	DIN Application Load Class A - 3,372 lbs. - 15kN Residential, pedestrian, and cyclist traffic		400 Series Residential Channel DG0442 Grate DA0642 Locking Device List Price US\$38.04/LF	400
	DIN Application Load Class A - 3,372 lbs. - 15kN Residential, pedestrian, and cyclist traffic		500 Series Channel DG0640 Grate DA0542 Locking Device List Price US\$45.83/LF	
	DIN Application Load Class D - 89,920 lbs. - 400kN Trafficked sections of roads and highways		500 Series Channel DG0675HD Grate DA0542B Locking Device List Price US\$57.92/LF	600
	DIN Application Load Class A - 3,372 lbs. - 15kN Residential, pedestrian, and cyclist traffic		600 Series Channel DG0640 Grate DA0642 Locking Device List Price US\$45.84/LF	
	DIN Application Load Class C - 56,200 lbs. - 250kN Curb sides, highway shoulders, and parking areas		600 Series Channel DG0641 Grate DA0642B Locking Device List Price US\$52.77/LF	600
	DIN Application Load Class C - 56,200 lbs. - 250kN Curb sides, highway shoulders, and parking areas		600 Series Channel DG0640R Grate DA0642 Locking Device List Price US\$71.63/LF	
	DIN Application Load Class D - 89,920 lbs. - 400kN Trafficked sections of roads and highways		600 Series Channel DG0675HD Grate DA0642B Locking Device List Price US\$57.93/LF	700
	DIN Application Load Class D - 89,920 lbs. - 400kN Trafficked sections of roads and highways		600 Series Channel DG0700PE Frame* DG0641D Grate DA0642BH Locking Device List Price US\$68.27/LF	
	DIN Application Load Class D - 89,920 lbs. - 400kN Trafficked sections of roads and highways		600 Series Channel DG0700AA Frame* DG0675HD Grate DA0642BH Locking Device List Price US\$78.38/LF	700
	DIN Application Load Class D - 134,800 lbs. - 600kN Industrial areas, forklifts, traffic, ports, and dock sides		600 Series Channel DG0700AA Frame* DG0641D Grate DA0642BH Locking Device List Price US\$75.79/LF	

* Adding the 700 series frames increases load ratings for 500 and 600 series channels.
