Half-Panel Double Door Freestanding 24.8X44 Carbon Steel - Galvanized

The WA Series half length back panel is used in NEMA 12 two door/single access or two door/dual access freestanding enclosures. All necessary mounting hardware is included.

• Fabricated from pre-galvanized steel
• Position panels anywhere along horizontal depth-wise mounting channels

Panels for two-door single-access and two-door dual-access freestanding NEMA 12 enclosures. Panels can be positioned anywhere along horizontal depth-wise mounting channels. Half-length panels can be located in the upper or lower portion of the enclosure. Mounting hardware furnished with each panel. Optional "G" panels have a conductive finish (no paint).
