NI2 Double Door Freestanding 72X48X18 Carbon Steel - Gray

Designed to protect electrical, and electronic controls, components, and instruments in typical industrial environments. Enclosure protects enclosure equipment from dust, dirt, oil, and dripping water. These enclosures are used in machine tool applications for housing motor starters, drivers, contactors, PLC's, as well as a wide variety of other electrical and electronic equipment. The addition of 19-inch rack mounting accessories make these enclosures ideal for providing rugged protection for sensitive rack mounted components in harsh industrial environments. The enclosures are found extensively in found in automotive, pulp and paper, wood products, textile, and similar industries. Style includes two door single access (overlapping doors on front).
