by Wiegmann  
Catalog ID: WA72P36F2G

Half-Panel Single Door Freestanding 30.8X32 Carbon Steel - Galvanized

The WA Series half length back panel is used in NEMA 4,12 and stainless steel single door/single access or single door/dual access freestanding enclosures. All necessary mounting hardware is included.

- Fabricated from pre-galvanized steel
- Position panels anywhere along horizontal depth-wise mounting channels

Panels for single-door single-access and single-door dual-access, freestanding NEMA 12, freestanding stainless steel enclosures. Panels can be positioned anywhere along horizontal depth-wise mounting channels. Half-length panels can be located in the upper or lower portion of the enclosure. Mounting hardware furnished with each panel. Panels may be used in two-door enclosures along with other freestanding accessories. Optional "G" panels have a conductive finish (no paint).
