Relay Rack Angle N4/12 72 Inch Freestanding 19X61.25 Carbon Steel - White

The WA-RA Series rack angle is designed for installing 19" rack mounted equipment in a 72 x 24 enclosure. The rack angle is used in all NEMA 4 and 12 freestanding enclosures.

- Fabricated from carbon steel
- Painted with white polyester powder
- Rack angle is installed on provided mounting channels

Through holes (7/32 Dia.) are provided and require a W1032N clip nut (ordered separately). Rack angles are mounted on unistrut within freestanding enclosures and are adjustable. If used in two-door enclosures, a center panel support must be ordered. White smooth hybrid finish.
