

Wiring Device-Kellems

# Marine Wiring Products, Phone/TV Device, Marine Telephone Inlet, Black

By Hubbell Wiring Device-Kellems  
Catalog # [PH6595](#)

Marine Telephone Inlet

## Application

Marine Wiring Devices

## General

|                              |  |
|------------------------------|--|
| Color                        | Black  |
| Environmental Conditions     | Watertight   |
| Insulation                   | Insulated Body   |
| Item Type                    | Hull Mount Single- Old Style                                     |
| Material                     | Thermoplastic  |
| Material - Mounting Hardware | Screw Mounting   |
| OEM Brand Name               | Hubbell Wiring Device-Kellems                                    |
| Performance                  | Environmental - Moisture Resistance - IP20 Suitability           |
| Temperature Rating           | Maximum Continuous: 75° C; Minimum Continuous: -40° C w/o impact |
| UPC                          | 783585201818   |

## Dimensions

|              |                        |
|--------------|------------------------|
| Display Size | Standard Sized Product |
|--------------|------------------------|

## Electrical Ratings

|                            |                             |
|----------------------------|-----------------------------|
| Connectivity               | Pressure Terminal Screws    |
| Current Rating             | Telephone/CATV              |
| Dielectric Strength        | Withstands 3000V Minimum in |
| Voltage Rating             | Telephone kV                |
| Voltage Rating Description | Telephone kV                |

## Logistics

|                 |    |
|-----------------|----|
| Carton Quantity | 10 |
|-----------------|----|
