

Outdoor Comforts® ParkPost
Outdoor Power Enclosure, Gray

By Hubbell Wiring Device-Kellems
Catalog # [WPP55G](#)

Freestanding post enclosure provides outdoor power with unique slide cover. Stylish design suitable for prominent locations rather than hidden away. Heavy duty UV resistant polycarbonate with molded in color provides enhanced durability. Power where you want it!

Features

- Provides convenient outdoor power access for yards or any other outdoor spaces.
- Stylish modern design ideal for prominent locations rather than hidden away like typical outdoor box and device cover solution.
- Heavy duty UV resistant polycarbonate with molded in color provides enhanced durability.
- Accommodates two power cords including most 16-gauge grounded extension cords
- Fits standard duplex, decorator, GFCI, or single round receptacle.
- Available in Gray, White or Bronze

Application

Direct bury in residential yards or any outdoor living space conducive to in-ground install.
