N12 Double Door Freestanding 90X48 X 20, 304 Stainless Steel

By Wiegmann
Catalog # WA904820FSDSS

N12 Double Door Freestanding 90X48X20 304 Stainless Steel

*Representative Image

Features

- Designed to protect electrical and electronic controls, components and instruments in typical industrial environments
- Enclosures protect enclosure equipment from dust, dirt, oil, and dripping water
- These enclosures are used in machine tool applications for housing motor starters, drives, contactors, PLC's, as well as a wide variety of other electrical and electronic equipment
- The addition of 19-inch rack mounting accessories make these enclosures ideal for providing rugged protection for sensitive rack mounted components in harsh industrial environments
- The enclosures are found extensively in automotive, pulp and paper, wood products, textile and similar industries
- Two styles are available to provide maximum flexibility: a) Single Door Single Access (single door on front) b) Two Door Single Access (two door on front).

Application

Designed to protect electrical and electronic controls, components, and instruments in typical industrial environments. Enclosures protect enclosure equipment from dust, dirt, oil, and dripping water. These enclosures are used in machine tool applications
