Installation Recommendations:

· Insert wire into port and tighten screw. Do not wrap wire around screw

· Indoor use only

· Visit http://www.ezzwave.com/hubs for hub compatibility

· Wallplates sold separately

· Trilingual Instruction manual – (English, French, Spanish)

Device Configuration
Adding your device to a Z-Wave network

Once the hub is ready to add your smart switch, press up or down
on the smart toggle switch to add it in the network.

To remove and reset the device

Once the controller is ready to remove your device, press up or down on the smart toggle switch to remove it from the network.

S2 + SmartStart install

The controller's app will indicate if it has discovered the sensor. If prompted by the controller to enter the S2 security code, refer to the QR code/security number on the back of the box, or the QR code label on the product. Enter the 5-digit code.
