Cross Arm Cover- Sq.5" x 5"- 20"

*Representative Image

Features

- Cross Arm Guards effectively enclose steel cross arms and are designed to ensure long-term retention
- All Reliaguard products are made from Reliatanium, a proprietary material designed by Reliaguard's chemical engineering founders
- Reliaguard® Cross Arm Guards are designed to stay in place
- Retention of the guard once applied is a critical design feature to be considered
- Manufactured with a superior closure design to ensure the cross arm guards stay where they are installed
