

WEEB-DPF, WEEB Top Clamp Washer, 1.06 IN L, 1.13 IN W, 0.30 IN hole size, Flexible

By WILEY
Catalog # WEEB-DPF

WEEB® Washer Electrical Equipment Bond.

Features

- Made from corrosion resistant 304 stainless steel for outstanding durability and performance
- Eliminates the need for surface preparation and oxide inhibitor.
- Detailed manual specifying proper hardware, torque, and mounting information is available upon request
- UL467 Recognized for grounding and bonding equipment
- Custom grounding and bonding solutions available upon request

General

Application WEEB washers offer a simple,

low cost method to bond any non-conductive coated surfaces together reducing time, labor costs and the amount of copper wiring. WEEB's patented teeth pierce through most non-conductive coatings and embed into the underlying metal creating a bonding connection between the mounting surface and coated metal component that it

is installed on or between.
