

WEEB-LUG-15.8, Lay-in lug with WEEB Washer; Tin Plated Copper Lug, M8 or 5/16" hardware NOT included

By WILEY
Catalog # [WEEB-LUG-15.8](#)

WEEB® Grounding Lug.

General

Application WEEB grounding lugs are high quality solutions for your grounding needs. The tin-plated lug assures minimum contact resistance and protection against corrosion. The low profile allows installation in a variety of positions with one solid or stranded copper wire (14 AWG to 6 AWG), or two copper wires (12 AWG to 10 AWG) secured by a 1/4-28 stainless steel screw, horizontal to the tang. The WEEB® Grounding Lug is installed using stainless steel mounting hardware. When tightened, the WEEB® washer's specialized teeth embed into coated metal surfaces or any electrically conductive metal to establish a reliable electrical connection. Available with or without varying hardware assembled or unassembled. UL467 and UL2703 listed.

Catalog Number WEEB-LUG-15.8
Item Type 4D
UPC 781810537534
UPC 12 Digit 7818105375344
