

FEATURES

Application

The LES Series provides bright, even letter illumination in an energy-saving LED edge-lit exit sign configuration. AC only operation. Special Wording ("SW") option allows customizing the stencil field to convey important information.

Construction

Water-clear injection-molded acrylic EXIT plaque is available with clear, white or mirror backgrounds. High strength extruded aluminum trim available in six finishes. Exit face design in single or double face with red or green letters. Custom printed directional chevron arrows. Standard EXIT stencil with 6" letters and 3/4" stroke; 8" letters for New York City requirements available as an option.

Installation

Mounts to standard electrical boxes up to 4" square via universal adaptor plate and mounting canopy assembly. All mounting hardware is fully concealed.

Illumination

Exit face illumination is provided by energy saving, long life red or green LEDs. Exceeds UL 924 requirements for brightness and uniformity.

Compliances

UL 924 Listed
NFPA 70
NFPA 101

Warranty

5 years full

LES SERIES

Surface-Mount AC Edge-Lit LED Exit Sign

LES Series architectural surface-mounted LED edge-lit exit signs feature an option for standard or custom special-wording. The images below represent standard special-worded signs available for the LES Series. The artwork and silk-screening for the standard signs shown below were previously developed therefore pricing for these special-worded signs do not incur a setup charge. If your special-worded requirements do not appear on this page, please contact the factory to request your custom special-wording sign. Custom special wording signs incur a one time set-up charge for each development.
